RUMAH BELAJAR ANAK BINTANG - RAJAB

- Initiated in 2014, in cooperation with Karang Taruna Jawa Barat (West Java Youth Organization)
- RAJAB is a character building education program for underprivileged children
- Currently RAJAB operates in 7 villages across West Java

RAJAB WASTE REDUCTION

Through Rumah Belajar Anak Bintang (RAJAB), our community development program, we also encourage sustainable lifestyle from the early age

ECOBRICS

Used mineral bottles are hardened by compacting hard to recycle plastic packaging (sachet, candy wraps, etc) inside the bottle

The reinforced plastic bottles/ecobricks are then tied together

Tied ecobricks are then covered with fabrics

Small stool chair is made from 23 used plastic bottle and approx. 5.75kg plastic waste

RAJAB WASTE REDUCTION

PLANTING THE EARTH

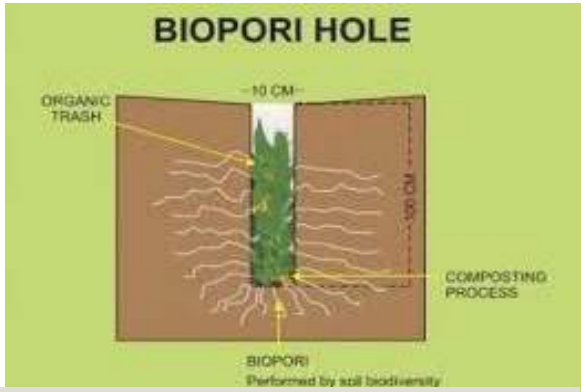

We teach the next generation that planting is fun and important

SOIL BIOPORE CREATION

Aside teaching the students about composting, this activity will also stimulate soil organism to create biopores, which increase soil ability to absorb water
